

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION

UNITED STATES OF AMERICA,

Plaintiff,

Case No. 1:09-CR-116

v.

Hon. Paul L. Maloney

MATTHEW JAMES JONES,

Defendant.

REPORT AND RECOMMENDATION

Pursuant to W.D. Mich. LCrR 11.1 and upon a request of the district court, I conducted a felony plea hearing in this matter on August 21, 2009, after receiving the written consent of the defendant, the defendant's attorney, and the attorney for the government. These consents were also placed on the record in open court.

Defendant Matthew James Jones pled guilty to Count 2 of the Indictment charging him with attempt to manufacture methamphetamine, and he also pled guilty to a Superseding Information charging him with attempt to manufacture methamphetamine. On the basis of the record made at the hearing, I found that defendant was competent to enter the pleas of guilty and that the pleas were knowledgeable and voluntary with a full understanding of each of the rights waived by the defendant, that the defendant fully understood the nature of the charges and the consequences of the pleas, and that the defendant's pleas had a sufficient basis in fact which contained all of the elements of the offenses charged.

I also inquired into the plea agreement. I found the plea agreement to have been knowingly and voluntarily made and found that it fully reflected all of the promises made by the parties.

Accordingly, I accepted the pleas of guilty, subject to final acceptance of the pleas by the District Judge, and I specifically reserved acceptance of the plea agreement for the District Judge. I ordered the preparation of a presentence investigation report.

Recommendation

Based upon the foregoing, I respectfully recommend that the defendant's pleas of guilty to Count 2 of the Indictment and to the Superseding Information be accepted, that the court adjudicate the defendant guilty of those charges, and that the written plea agreement be accepted at, or before, the time of sentencing.

Dated: August 24, 2009
